## From the Pastor

Dear Friends,

For the past few years for four weeks in the fall we have observed the Season of Creation in worship, celebrating God's gifts in creation and praying for their healing and restoration. This year the four themes are *Planet Earth* (September 13) *Humanity* (September 20) *Sky* (September 27) and *Mountain* (October 4).

On September 13, "Earth Sunday," you are invited to bring a small container of soil to worship. During the service we will present various soils -- stony and sandy, loam and loess, clay or clabbered dirt -- giving thanks for the gift of the earth and remembering that in God's good creation even the soil is glad and rejoices (Joel 2:21).

Also on September 13, Albany mayor, Kathy Sheehan, will be our guest during the post-service time. She has graciously accepted our invitation to join us for a presentation and discussion about the future of downtown Albany.

Resident theologian Dr. Allan Janssen will be the preacher on September 20, "Humanity Sunday." During the post-service time he will lead us in a discussion about "The Worry and Wonder of Being Human," helping us to think theologically about what it means to be human.

The psalmist proclaimed "the heavens are telling the glory of God" (Psalm 19). The heavens still reflect God's glory, but are they also telling us something else? On "Sky Sunday" we will celebrate the wonder of the heavens but also consider the more troubling changes in the earth's climate and the warming of the planet. Are the heavens also telling the judgment of God? Is God calling us to a new way of living?

On Mountain Sunday we'll look at some of the many images of mountains in scripture. Mountains are scenes of revelation. Moses meets with God on Sinai. Jesus is transfigured on a mountain. He teaches the crowds from a mountain. Mountains can be places of trial and testing as well as symbols of promise and hope for a renewed and restored creation, where long-time enemies come together in peace and "shall not hurt or destroy on all my holy mountain, says the Lord" (Isaiah 65:25).

The Belgic Confession, one of the historic Reformed confessional standards, speaks of God's two books, the book of scripture and the book of creation where "the universe is before our eyes like a beautiful book in which all creatures, great and small, are as letters to make us ponder the invisible things of God: God's eternal power and divinity ..." We read with a book in each hand, as it were, paying prayerful attention to the words of scripture and the world around us, learning from both the theologian and the scientist as we rejoice in and care for "this fragile earth, our island home."

Sincerely,

John Paarlberg

## **A New Worship Center for 8-11 year olds**

This year we hope to offer an additional Children and Worship Center for children ages 8-11 years of age. Worship will take place at the same time as the younger group, ages 4-7 worship (during the adult worship service). Anyone interested in joining our worship team, please contact Rev. Sue Vincent Cox (c.796-8793) or Rev. John Paarlberg. Those who serve as storytellers and greeters lead for 4-6 week segments and we strive to have each worship team member serve for one segment per church year.

Every few years we come together with a C&W/RCA trainer to refresh our storytelling and greeter skills. This year for those who are new, we hope to have a training in early October. Because of the special way we lead through storytelling and “wondering” time we ask all who join to attend this 8 hour training. We also require completing a 2 hour video workshop on child safety. We offer both here at First Church. I have been through 3 training workshops over the years and I must say it is always inspiring and “a wonder” to behold. Rev. Sue Vincent-Cox

## **Pilgrim’s Walk 2 at First Church in August**

This summer we had PW 2 at our church. This was a small group gathering where we explored spirituality and the 3<sup>rd</sup> stage of life (65 to end of life). Topics we explored included forgiveness, finding purpose in aging, faith and trust in God, what happens after we die, love and family, friendship, creativity, and compassion for self and others. Each week we chose a spiritual practice for that week and at times this included mindfulness meditation. This is a group of spiritual direction and sharing of faith, experience, and wisdom. It is also a great way to make deeper connections with others in our church. We hope to offer this group again sometime soon.

## ***The Way: Walking Together on the Journey of Faith***

Do you know someone –a family member, friend or colleague who is interested in questions of faith?

- *Is God real?*
- *What does it mean to be spiritual? Is it the same as being religious?*
- *What, exactly, does it mean to be saved? From what? For what?*
- *Where do you most long for change in your life and healing in our world?*

*The Way* is an opportunity to explore such questions without assuming we have all the answers, or that we know the destination ahead of time. It is an opportunity to raise questions, listen to others, listen to what God is saying through scripture and through your life experiences.

*The Way* is especially for those

- who are new to First Church or who are thinking about involvement in the life of the church
- who are inquiring about the Christian faith
- who are bringing children for baptism
- who are facing some other kind of life transition that is raising questions of faith
- or for those who are simply curious.

If you, or someone you know is thinking about questions of faith, consider inviting them to come along on *the Way*. Offer to come with them. We meet after worship for a light lunch and fellowship and then read a short passage of scripture together and prayerfully listen for what God is saying to us today. We'll meet beginning on the last Sunday in September and continue through the first Sunday in November.

For more information please speak to the pastor or email [johnpaarlberg@verizon.net](mailto:johnpaarlberg@verizon.net) or contact the church office (463-4449).

Copies of the book are available from Bill Staats.

## **Growing Green - Caring for Creation**

### ***Water is increasingly scarce in much of the world***

East Africa and the Horn of Africa are suffering the worst drought in recent memory. Since 2007 rainfall has been erratic or nonexistent - affecting 40 million people. Colombia, Pakistan, Australia, and Guatemala, are just a few of the other countries suffering severe drought conditions. Regions of China are experiencing the lowest rainfall on record.

In the US 30 % of the country is experiencing at least a moderate drought, and 7 states have at least 50 % of their territory experiencing severe drought.

In California more that 70% of the state is experiencing extreme drought and the governor has declared a state of emergency affecting both farmers and homeowners.

The Capital Region experienced one of the driest Mays on record and July was earth's hottest month ever recorded.

### **What can we do?**

**Stop** watering lawns, landscape with low-water plants, shorten showers

**Use** a rain barrel for garden watering

**Re-use** water bottles and drink tap water

**Work** to protect water on a local, national and global arena; patronize companies that use water wisely

A good resource is the faith based website: <http://www.webofcreation.org/>

## Parking Lot: Important Information

ANYONE PARKING IN FIRST CHURCH PARKING LOTS WITHOUT A DISPLAYED PERMIT MAY BE TOWED.

Maiden Lane no longer has an attendant full time. A towing company polices the Sheridan Avenue lot, and if there is no ticket or permit visible in the visor or dashboard you may be towed. There is a ticket booth in the lot right next to the attendant house for purchasing tickets. The charge will be \$140.00 per vehicle or higher if you are towed. Parking permits are ONLY available through Denise, phone: 463-4449. When using the Orange Street parking lot, you need to have and display a permit. In addition, if you have an event at church you MUST contact Denise.
